The approved foundation course covers the content of the intensive In-person Three Day Restorative Practice Facilitation Skills course, which is currently on hold due to Covid-19 restrictions. Participant learning takes place through activities, discussion and skills practice. This course will give you a clear understanding of the context for the Restorative approach, the key skills for safe practice and the strategies for effective implementation. This foundation course is appropriate to a variety of settings and wider communities.

The foundation Restorative Practice Facilitator Skills Course covers:

- The origins, ethos and values of Restorative Practice
- Common interventions models
- The neuroscience of shame and the power of empathy
- The needs model underpinning behaviour
- Emotional Literacy
- Listening skills
- Restorative Enquiry Questions
- The Art of Engagement
- The two party model of Restorative conversation
- Considerations of harm
- Contrasting Retributive and Restorative approaches
- Skills practice – Facilitation of Restorative Meetings
- Restorative Circles, the practice and the links to cultural values
- Assessing Risk
- Implementation and Culture Change

Each participant will receive a handbook to accompany the course.
